Crown Communication Inc. and GTE Wireless of the Midwest, Inc. d/b/a Verizon Wireless ( Applicants ) have filed a motion to request withdrawal of the Certificate of Public Convenience and Necessity at Audubon Parkway and Ky. Hwy. 279, Owensboro, Daviess County, Kentucky. Applicants were granted a certificate authorizing them to construct on March 22, 2002. In support of their petition, Applicants contend that their priorities for deployment of new wireless communications facilities and the upgrade of existing facilities have been revised. Furthermore, Applicants assert that they have notified the local planning commission that the construction will not occur.

The Commission, having reviewed this petition and having been otherwise sufficiently advised, HEREBY ORDERS that Applicants request for the withdrawal of the Certificate of Public Convenience and Necessity for a wireless communications facility at Audubon Parkway and Ky. Hwy. 279, Owensboro, Daviess County, Kentucky is granted.

Done at Frankfort, Kentucky, this 28<sup>th</sup> day of February, 2003.
